DIVA BASICO

Discover the world's most elegant expression of "thermotherapy".

Natural Infrared Energy embodied in an artisan, marble sculpture.

Diva is available in the version LITHO (assembled marbles) and MUSIVE (marble-ceramic-glass mosaic)

Minimalistic, contemporary design embodied in the same exquisite sculpture found in Cleopatra and Diva, this is the appeal of the "Basico" model. Basico is the choice for purists who understand that essentials are sometimes enough to enhance and reflect the aesthetics of a peaceful sanctuary. An optional wooden base underlines its purist elegance making it the perfect choice to enrich pool or Spa surroundings.

Description:

- Infrared Heated Loungers Sculpture, carved out from a single Marble block on metal construction. Available in Limestone (IVOIRE), in White Statuario marble (BLANCHE), in Black Marquinia marble and in many different marbles or stones on request.
